

# That's how you measure correctly...

ladies gentlemen

- 1 size**  
*Take your measurements barefoot from head to toe. You will receive more accurate measurements when someone helps you.*
- 2 bust size**  
*Measure at the biggest point of your breast horizontal across your body.*
- 3 waist / trouser waistband**  
*Measure without tying around your waist.*
- 4 hip size**  
*Measure horizontal around the biggest point of your bottom.*
- 5 Jeans width**  
*The jeans width equates the measurements of waist / trouser waistband but is specified in inch. One inch is 2,54 cm.*
- 6 Jeans length**  
*Measure from your inner thigh to lower ankle. Jeans length is also specified in inch.*
